President's Welcome

Welcome to FRESPEX 2011.

Our theme is the 'Hawaiian Rain Forest'. The covers and cancellations were put together by Albert Tuttle (whose family has for generations been part of Hawaii). You will find a good representation of old Hawaii. The Tiki-God, the birds, the sea animals, the forest have all been present since ancient times and are being actively preserved for the future.

Our club and dealers welcome you and, and we hope you enjoy your time at FRESPEX.

Sincerely Yours,

Frank L. Cantrell, M.D.

The cachets may be purchased at the Reception/Hospitality booth in the Exhibition Entry Hall. Be sure to purchase your set of limited quantity 2011 "Hawaiian Rain Forest" cachet covers early as they won't last long! For those of you that missed out the first time around, there will be a limited supply of prior years' Frespex Cachet Cover Sets for sale (see www.frespex.org for images of some earlier cacheted covers.)

The Fresno Philatelic Society began in 1967 - just thirteen collectors who wished to further their shared interest. With dedication and hard work, these founding members saw their little group grow into the largest and most active stamp club in California's great Central Valley!

A chapter member of the American Philatelic Society, we are nonprofit and governed by elected members to maintain an effective a purposeful organization. Family and junior memberships are encouraged, as well as individual participation. FPS active promotes an interest in philately to the children and schools of our community.

The goal of our Society is to continue to grow in knowledge and find pleasure in our philatelic pursuits. The Fresno Philatelic Society is an active organization of about 100 members who meet twice each month to exchange both knowledge and philatelic materials.

Our Sunday afternoon meetings feature *The Traders Corner*, offering members' stamps for sale by auction to other members. Thursday evening meetings are hosted by a different club member each month and programs presented are quite varied. *The Bid Board*, also with items for sale, may be viewed at both meetings. A monthly newsletter has the latest Society information including upcoming meetings and lot lists for the next Sunday sales.

Members of our Society collect in many different areas of philately, so you are sure to find someone to share a common interest. If you would like more information or wish to join our club, please contact a host at The Fresno Philatelic Society Membership Table in the bourse hall or at the Hospitality Desk near the front entrance. Or, you may complete and mail an application available at the FPS Membership Table. Please feel free to attend meetings before joining if you wish.

Our meetings are held in Clovis at the Rex Phebus Veterans Memorial Building located at 5th and Hughes. Evening meeting is held on the 3rd Thursday of each month. Doors open at 6:00 pm with the meeting at 6:30 pm. Sunday meetings are held on the 1st Sunday of each month (sometimes moved to 2nd Sunday by public holidays or events). Doors open at 12:30 pm with the meeting at 2:00.
